

TTAL Survey – Post Summer Institute 2

Briefly respond to the questions below about your second Summer Institute

What activities of the Institute contributed most to your attitudes and knowledge about teaching arts-infused activities?

What activities of the Institute contributed most to your knowledge about arts-infused learning?

Has the Institute led you to understand arts and arts-infused learning differently that you understood it last year? If so, in what ways?

What was the biggest “aha”, new perspective or change for you that you experienced through the Institute this year?

What do you still need to know or to be able to do better to implement arts instruction?

What kind of follow-up workshops during the school year would be most beneficial to you?

Circle a number to indicate your understanding of arts concepts and vocabulary.

	Proficient I have the knowledge to teach and assess arts concepts	Adopting I have the knowledge to teach arts concepts	Developing I can use arts concepts when led in instruction at the institute	Beginning I can identify arts concepts
For dance - my understanding of concepts and vocabulary taught in the institute	4	3	2	1
For theater arts - my understanding of concepts and vocabulary taught in the institute	4	3	2	1
For visual arts - my understanding of concepts and vocabulary taught in the institute	4	3	2	1
