Pre-Teach

List key concept(s) of the lesson, and how students will be given opportunities to explore the concepts experientially.

Lesson Steps Outline

1. The Lesson Steps Outline summarizes the main steps in the lesson, as well as highlights each embedded assessment, or point for reflection. The bold print sentence or two that is at the beginning of each lesson step is pasted in here. The outline is printed in a large font so that the teacher can glance at it during instruction as a guide.

 **Criteria-based** Here you can list process-based assessment, teacher checklist, self-assessment, peer assessment, or reflection: If you have teacher checklist, and/or self-or peer assessment, you can paste the appropriate criteria from page one.

LESSON STEPS

1. Lesson Steps are detailed step-by-step instructional strategies for teaching the lesson. **What the Teacher does is in bold font.**

(Note images to be imbedded in each lesson step. Images should be emailed along with lesson to Arts Impact.)

- *Prompts for students – Key inquiry-based questions, instructions and questions for reflection – are bulleted so they are easy for the teacher to read during instruction.*

Images that are referenced in the lesson step will be imbedded here.

Criteria-based embedded assessments are highlighted for each lesson step. They can be process-based assessment, teacher checklist, self-assessment, peer assessment, or reflection. If they are listed as teacher checklist, self or peer assessments, they can be pasted from the selected criteria on page one. Those are also recorded on the class assessment worksheet at the end of the lesson. Other times they are process assessments or reflections. All assessments are used formatively, to guide instruction throughout the lesson.

The class assessment worksheet is a place to document learning by the entire class. This worksheet is designed as a checklist; alterations need to be made if you are including rubric points. Place a checkmark or 1 for each student who meets criteria; place a 0 for a student who does not meet the criteria; write AB for absent students.
